

Bastille Lounge

Bastille Lounge is an evolution of Bastille. Bastille's generously contoured and curved silhouette is the definition of luxury. Bastille Lounge is a fusion of heritage and modernity that isn't overdesigned.

It's restrained simplicity is delicate and timeless allowing Bastille Lounge to act almost like a chameleon, transitioning between corporate and hospitality settings.

Design by Patrick Norguet

Bastille Lounge is available as a Club chair, 2 seater, and 3 seater sofa, complementing the existing range by acting as an extension to the family.
