

Talon

Talon is a stunning collection of versatile laptop and occasional tables designed to accompany soft seating in lounge or breakout areas.

The innovative delta shaped laptop table can be used alone or clustered together for ad-hoc collaborative working.

High and low occasional tables in a variety of complementary shapes and finishes complete the range.

Design Design by Allermuir

Our team of talented in house designers are responsible for creating elegant, innovative furniture designs which not only look beautiful, but minimize the impact on the world around us.

They come from all over the world, but are based in our Design Center located in a quiet Lancashire village just outside the Ribbles Valley. Our dedicated facility is over three floors which include studios, a materials test center and prototyping lab.
